## ENGLISH CLUBS

A new development, or maybe not so new but new for us, is the advertising of various English Clubs formed either by ESU members or by those who would like our support. In the last Newsletter there was information on the EGIS English Club and here we have a new club, recently formed, which is offering the same to its members.

On October 20<sup>th</sup> (Monday) at 8pm there will be an evening of 'Singlish' for the group to which members of the ESU are invited. The club is out in the 18<sup>th</sup> district and there are details below of how to get there. If you have problems, Péter Zajkas, the organizer can help if you ring him on his mobile 06-30-210-2516.

### How to find it ...

The club is held at the Katolikus Közösségek Háza, Wlassics Gy. u. 84/a. You should take the underground to Kőbánya Kispest and then the no. 82 or 82/A bus to Batthyány utca or, alternatively, take the underground to Határ út and take the no. 52 tram to Szarvas csárda tér from which the venue is within walking distance. Although this English Club operates under the auspices of the Large Family Association (NOE), they temporarily use a room in the local Catholic Parish Hall. The local NOE community has just been given a building as its headquarters, so eventually the English Club will have its own room there.

## Planning meetings

These are open to everybody who wishes to contribute to planning the programme or has something to offer. These meetings are held on the same night as the Singlish Folk evenings, from 6 pm to 7 pm.

The next Budapest planning meeting will be held before the Folk Evening on the 7<sup>th</sup> October 2003.
