The ESU Public Speaking Competition 2005

Huge entry in Budapest ...

It was very difficult to select a winner from the huge number of competitors in the competition in Budapest. Similarly, throughout the country there was a record entry and thirteen students will take part in the National Final at the British Embassy in Budapest.

Further photos and results ...

... can be seen on the website www.hunglish.net if you go to the New ESU section.

The Final on 15th April ...

Games Night 26th April 2005

As well as the 'Singlish Folk Nights', which have been a regular feature of the programme in Budapest, we are looking to provide some alternative evenings and this is the first.

Language Game

There will be different sorts of language games which should be suitable for a range of language abilities. We hope that lots of people will come and try out some of the ideas and enjoy an entertaining, not too serious, evening of English.

Suggest an Evening

We know that you all have ideas on the kind of evening you would like to attend. We would like to hear your ideas and have you help us organise the evening itself. This is not a huge task but we can offer lots of help too!

We have been offered slide shows, story telling and a variety of other events. Please suggest a date – a Tuesday – and we will put it into the calendar. In the past we have had some wonderful slides from Britain by David Hill and also from Tibet.

What could you do a talk on or what could you offer which would be interesting in English? Even board games require a certain level of English and card and board games like Bridge, Tarock, Mahjong and Canasta all have their own unique vocabulary!

Please contact us with your offers.
