Rock Around The Clock

One, two, three o'clock, four o'clock, rock,
Five, six, seven o'clock, eight o'clock, rock,
Nine, ten, eleven o'clock, twelve o'clock, rock,
We're gonna rock around the clock tonight.

Put your glad rags on and join me, hon,
We'll have some fun when the clock strikes one,
We're gonna rock around the clock tonight,
We're gonna rock, rock, 'til broad daylight.
We're gonna rock, gonna rock, around the clock tonight.

When the clock strikes two, three and four,
If the band slows down we'll yell for more,
We're gonna rock ...

When the chimes ring five, six and seven,
We'll be right in seventh heaven.
We're gonna rock ...

When it's eight, nine, ten, eleven too,
I'll be goin' strong and so will you.
We're gonna rock ...

When the clock strikes twelve, we'll cool off then,
Start a rockin' round the clock again.
We're gonna rock ...

California Dreaming The Mamas and the Papas

All the leaves are brown - *All the leaves are brown*
And the sky is gray - *And the sky is gray*
I've been for a walk - *I've been for a walk*
On a winter's day - *On a winter's day*
I'd be safe and warm - *I'd be safe and warm*
If I was in L.A. - *If I was in L.A.*
California dreaming - *California dreaming*
On such a winter's day

Stopped into a church
I passed along the way
Well, I got down on my knees - *Got down on my knees*
And I pretend to pray - *I pretend to pray*
You know the preacher likes the cold - *Preacher likes the cold*
He knows I'm gonna stay - *Knows I'm gonna stay*
California dreaming - *California dreaming*
On such a winter's day

All the leaves are brown - *All the leaves are brown*
And the sky is gray - *And the sky is gray*
I've been for a walk - *I've been for a walk*
On a winter's day - *On a winter's day*
If I didn't tell her - *If I didn't tell her*
I could leave today - *I could leave today*
California dreaming - *California dreaming*
On such a winter's day - *California dreaming*
On such a winter's day - *California dreaming*
On such a winter's day

Goodnight Irene

Irene, Good- night Irene
Irene, Good-night
Goodnight Irene,
Good- night Irene,
I'll see you in my dreams.

Last Saturday night I got married
Me and my wife settled down
Me and my wife have parted
Gonna take another stroll down town.

Sometimes I live in the country
Sometimes I live in town
Sometimes I take a fool notion
To jump in the river and drown.

Stop ramblin', stop gamblin'
Stop stayin' out late at night
Go home to your wife and family
And stay by the fireside bright.

See You Later Alligator

Well I saw my baby walkin',
With another man today,
Well I saw my baby walkin'
With another man today.
When I asked her "What's the matter?"
This is what I heard her say.

Chorus:

See you later alligator,
After 'while, crocodile.
See you later alligator,
After 'while, crocodile.
Can't you see you're in my way now?
Don't you know you cramp my style?

When I thought of what she told me,
Nearly made me lose my head,
When I thought of what she told me,
Nearly made me lose my head.
But the next time that I saw her,
Reminded her of what she said.

She said, "I'm sorry, pretty daddy,
You know my love is just for you."
She said, "I'm sorry, pretty daddy,
You know my love is just for you,
Won't you say that you'll forgive me,
And say your love for me is true."

I said, "Wait a minute, 'gator,
I know you mean't it just for play."
I said, "Wait a minute, 'gator,
I know you mean't it just for play.
Don't you know you really hurt me,
And this is what I have to say."

Love Love Me Do

Love love me do
You know I love you
I'll always be true
So , please love me do (all 2x)

Someone to love
Somebody new
Someone to love
Someone like you

Love love me do
You know I love you
I'll always be true
So , please love me do

Oo Love me do

P.S. I Love You

As I write this letter
Send my love to you
Remember that I'll always
Be in love with you

Treasure these few words till we're together
Keep all my love forever
P.S. I love you, you (3x)

I'll be coming home again with you love
Until the day I do love
P.S. I love you, you (3x)

Treasure these few words till we're together
Keep all my love forever
P.S. I love you, you (3x)

As I write this letter
Send my love to you
Remember that I'll always
Be in love with you

I'll be coming home again with you love
Until the day I do love
P.S. I love you, you (3x)
You (3x)
I love you

From Me to You

If there's anything that you want
If there's anything I can do
Just call on me and I'll send it along
With love from me to you

If there's anything that you want
Like a heart that's oh so true
Just call on me and I'll send it along
With love from me to you

I've got arms that long to hold you
And keep you satisfied
I've got lips that long to kiss you
And keep you satisfied, oo

If there's anything that you want
If there's anything I can do
Just call on me and I'll send it along
With love from me to you
(all twice)

To you, to you, to you

Eleanor Rigby

Ah look at all the lonely people (2x)

Eleanor Rigby
Picks up the rice in the church where a wedding has been
Lives in a dream
Waits at the window
Wearing a face that she keeps in a jar by the door
Who is it for
All the lonely people
Where do they all come from
All the lonely people
Where do they all belong

Ah look at all the lonely people (2x)

Father MacKenzie
Writing the words of a sermon that no one will hear
No one comes near
Look at him working
Darning his socks in the night when there's nobody there
What does he care
All the lonely ... etc.

Eleanor Rigby
Died in the church and is buried along with her name
Nobody came
Father MacKenzie
Wiping the dirt from his hands as he walks from the grave
No one was saved
All the lonely ... etc.

All the lonely people
Where do they all come from
All the lonely people
Where do they all belong

Get Back

Jojo was a man who thought he was a loner
But he knew it couldn't last
Jojo left his home in Tucson Arizona
For some California grass

Get back (3x) where you once belonged
Get back (3x) where you once belonged

Sweet Loretta Martin thought she was a woman
But she was another man
All the girls around her say she's got it coming
But she gets it while she can

Get back (3x) where you once belonged
Get back (3x) where you once belonged

Get back (3x) where you once belonged
Get back (3x) where you once belonged

Let It Be

When I find myself in times of trouble
Mother Mary Comes to me
Speaking words of wisdom, Let it be
And in my hour of darkness she is
Standing right in front of me
Speaking words of wisdom, Let it be

Let it be (4x) Whisper words of wisdom
Let it be

And when the broken hearted people
Living in the world agree
There will be an answer, Let it be
For though they may be parted there is
Still a chance that they will see
There will be an answer, Let it be

Let it be (4x) Whisper words of wisdom
Let it be

And when the night is cloudy there is
Still a light that shines on me
Shine until tomorrow, Let it be
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom, Let it be

Let it be (4x) Whisper words of wisdom
Let it be
Let it be (4x) Whisper words of wisdom
Let it be

Memory

Midnight
Not a sound from the pavement
Has the moon lost her memory?
She is smiling alone
In the lamplight
The withered leaves collect at my feet
And the wind begins to moan

Memory
All alone in the moonlight
I can smile at the old days
I was beautiful then
I remember the time I knew what happiness was
Let the memory live again

Every streetlamp
Seems to beat a fatalistic warning
Someone mutters
And the streetlamp gutters
And soon it will be morning

Daylight
I must wait for the sunrise
I must think of a new life
And I musn't give in
When the dawn comes
Tonight will be a memory too
And a new day will begin

Burnt out ends of smoky days
The stale cold smell of morning
The streetlamp dies, another night is over
Another day is dawning

Touch me
It's so easy to leave me
All alone with the memory
Of my days in the sun
If you touch me
You'll understand what happiness is
Look a new day has begun

Who will buy this Wonderful Morning (Oliver – Lionel Bart)

Who will buy this wonderful morning
Such a sky you never did see
Who will tie it up with a ribbon
And put it in a box for me

So I could see i tat my leisure
Whenever things go wrong
And keep it as a treasure
To last my whole life long

Who will buy this wonderful feeling
I'm so high I swear I could fly
Me oh my, I don't want to lose it
So what am I to do to keep the sky so blue
There must be someone who will buy

Who will buy this wonderful morning
Such a sky you never did see
Who will tie it up with a ribbon
And put it in a box for me

There'll never be a day so sunny
It could not happen twice
Where is the man with all the money
It's cheap at half the price

Who will buy this wonderful feeling
I'm so high I swear I could fly
Me oh my, I don't want to lose it
So what am I to do to keep the sky so blue
There must be someone who will buy

Consider Yourself (Oliver – Lionel Bart)

Consider yourself at home
Consider yourself one of the family
We've taken to you so strong
It's clear we're going to get along

Consider yourself well in
Consider yourself part of the furniture
There isn't a lot to spare
Who cares, whatever we've got we share

If it should chance to be we should see some harder days
Empty larder days, why grouse
Always a chance to see somebody to foot the bill
Then the drinks are ont he house

Consider yourself our mate
We don't want to have no fuss
For after some consideration we can state
Consider yourself one of us
